PROJECT PARTNER

A true nirvana...!

Experience a refined lifestyle shaped by thoughtful planning, expansive open spaces and a landscape rich with orchards and tree-lined avenues at SUMMERS. True to its name, it offers a sense of openness, ease and quiet luxury that feels both natural and enduring.

Rooted in the legacy of the **Orchid Nirvana series**—including **Orchid Nirvana**, **Orchid Nirvana 2.0, 3.0** and **Annex**—this development builds upon a proven track record of creating well-planned, high-quality plotted communities in North Bangalore. Each phase stands as a testament to consistent planning, infrastructure and long-term value.

Strategically located in Aavathi, Devanahalli, in close proximity to Kempegowda International Airport, SUMMERS offers excellent connectivity to key growth corridors, business hubs and social infrastructure. At the same time, it retains a sense of calm and openness that is becoming increasingly rare in the city.
