

Clarification on SEIAA NOC

Promote has received the initial sanction plan (BBMP License) on dt: 12/06/202. We have taken approval for more number of units/area/floor in SEIAA NOC compared to the approved plan. This is due to the fact that we have applied for more TDR and once the TDR is received we will be applying for plan modification and then will apply for Project Modification in RERA.

Thanks and Regards,
