IS CLOSE,  
AND  
EVERYONE  
CLOSER.

When everything you need is

spend your hours differently.

Less on the road—more at  
the dining table or  
in the clubhouse with  
the ones who matter  
the most.

At **Sattva Aeropolis Phase 2**,  
you get back precious  
moments to share with  
the ones you love.

PHASE 2

**Studios, 1 and 3 BHKs** to accommodate every lifestyle.

Strategically located in North Bengaluru, near **Kempegowda International Airport**, **Sattva Aeropolis Phase 2** keeps you connected to the city, and to the people and moments that matter the most.

A person wearing a dark denim jacket is shown from the side, holding two shopping bags (one black, one light green). The background is a blurred city street with warm lights and a blue tint. A large white circle is overlaid on the image, containing text.

**Sattva Aeropolis Phase 2** is perfectly placed in **North Bengaluru's growth corridor**, just minutes from the airport.

It keeps you connected to the city's pulse, yet never far from the calm of home. And, when it comes to daily life, you'll find everything close at hand—schools, hospitals, work hubs, and shopping, all within easy reach.

What that really means: more evenings with friends and family, and more moments that belong to you.
