ABOUT THE COMPANY

Sekhar Group is a property development company established by Mr. Sekhar DV, with one motive 'to create better living spaces at affordable prices'. Starting its operations at a modest office in Bengaluru, today it has grown exponentially into a company with diversified portfolio of business lines like high rise constructions, infrastructure development, architectural excellence and interior designing. Sekhar Group had earned the reputation of being an ISO 9001:2008 company which brings to fore its deep domain knowledge and process expertise in flagging aloft its winning streak.

With a decade of outstanding track record encompassing sustained growth, in-house research and reliable engineering, today Sekhar Group stands tall with its noticeable contribution across the two states of Karnataka and Telangana. Our unquestioned integrity and pioneering approach towards transparency, reliability and business ethics in delivering our promises, brand Sekhar Group had earned laurels within the industry. Leveraging technology and innovation, we have been maintaining its treasured reputation as a top-notch property development company which had garnered the trust of its customers, relentlessly focusing on setting new standards and benchmarks for the industry.
