Some homes
impress you instantly.

Some continue
to **Make Sense.**

AMBERSTONE VECTRA
is designed around clarity -

in **PLANNING,**

in **MOVEMENT,**

in **SPACE,**

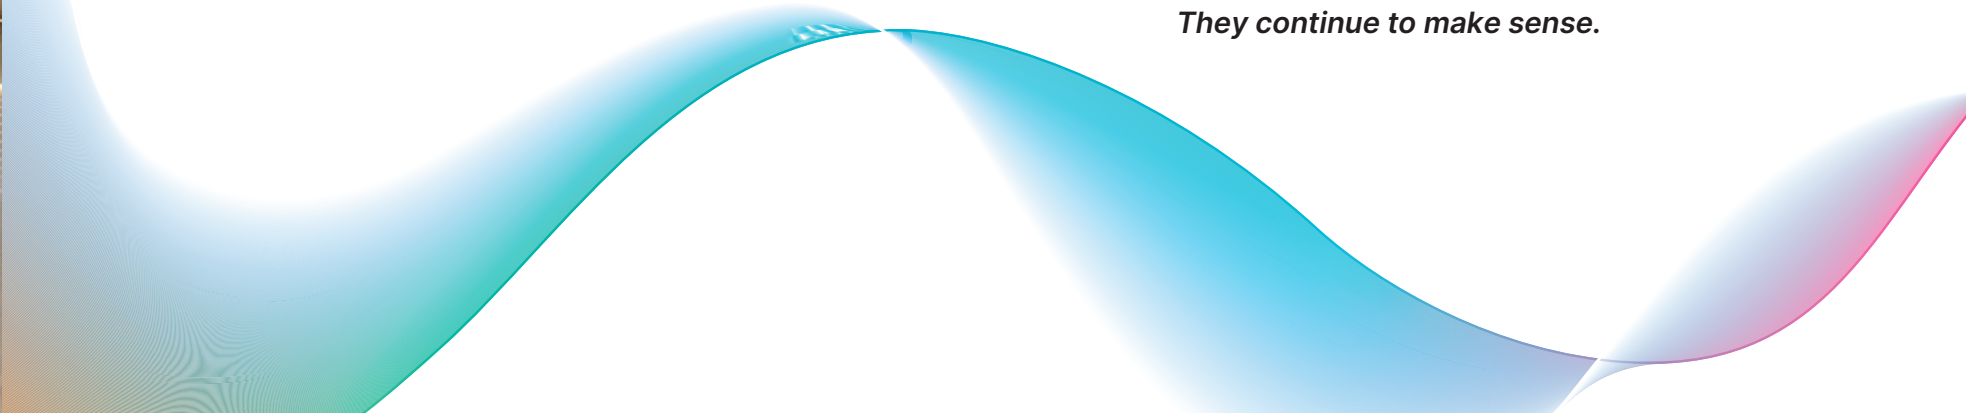

& in **the way everyday
life flows through it.**

From light and ventilation
to usable layouts and connectivity,
every decision here is shaped
to feel intuitive from the start
and rewarding over time.

Because thoughtful homes
don't just look good.

They continue to make sense.

Designed to Make Sense.

The name AMBERSTONE VECTRA reflects direction, clarity, and intentional movement – ideas that shape every part of the project.

From the way homes are planned
to how the community opens up to

LIGHT,

GREENERY,

CONNECTIVITY,

EVERYDAY CONVENIENCE,

everything here is designed to
move naturally together.

Not louder.

Not excessive.

Just more thoughtfully resolved.

A Vertical Address that feels considered.

LIGHT and VENTILATION that Make Natural Sense.

Homes planned to welcome

more **daylight**,

better **airflow**,

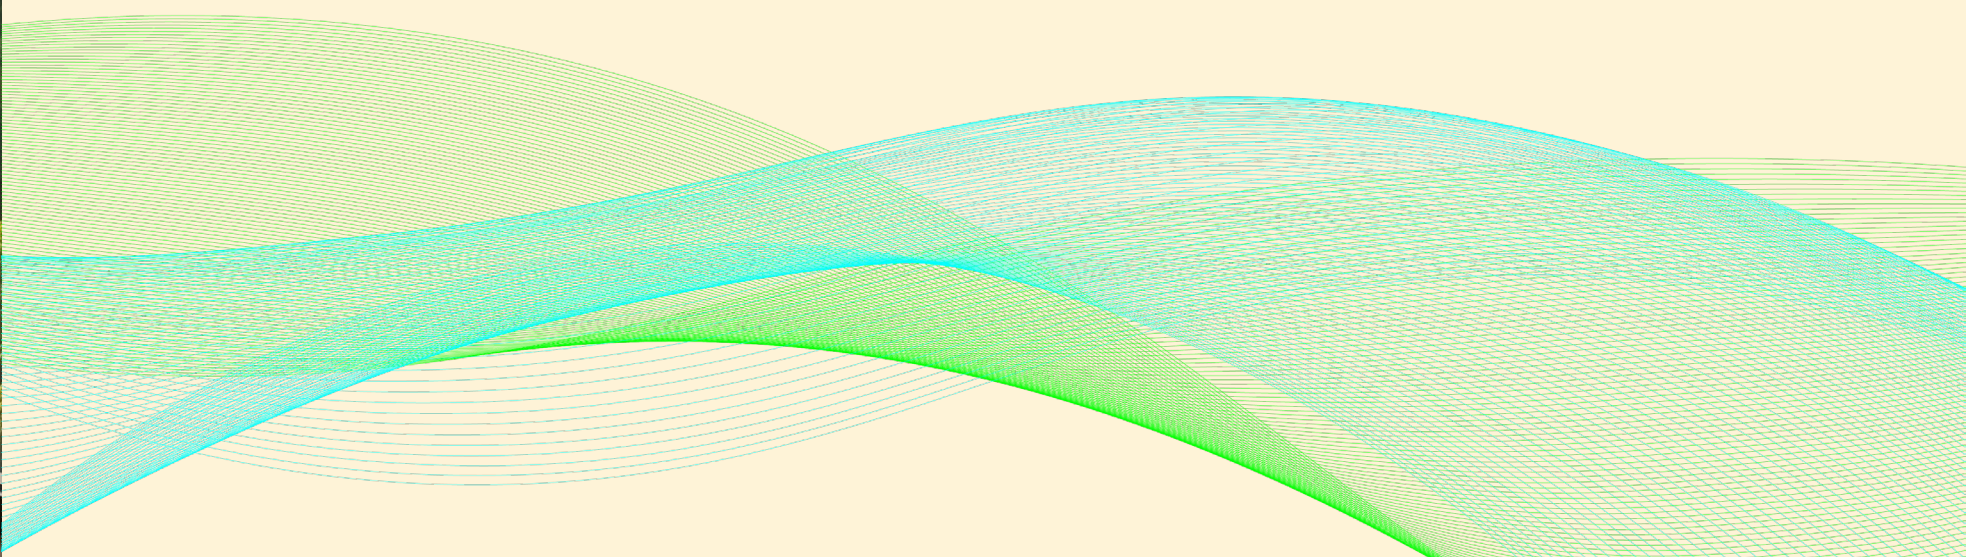

& a stronger feeling
of **openness**

through carefully considered openings,
spatial depths, and orientation.

Not added later.

Designed from the start.

Planning that

The best amenities aren't measured by how many there are.

They're measured by how naturally they become part of your day.

From peaceful mornings and active evenings to family time, celebrations, recreation and relaxation, every outdoor space at Vectra has been thoughtfully planned with one purpose - to make everyday living richer, more active, and more connected.

Because great amenities aren't just designed to impress.

They're designed to be experienced.

A Clubhouse Designed For Real Life.

A great clubhouse isn't defined by the number of amenities it offers.

It's defined by how often you use them.

Whether you're working remotely, working out, meeting neighbours over coffee, spending time with family, hosting guests, or simply taking care of everyday essentials, every space has been designed to fit naturally into the rhythm of daily life.

Because convenience isn't just another amenity.

It's part of thoughtful living.
