| APPROVAL CONDITION :                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |  |  |  |
| This Modified Plan Sanction is issued subject to the following conditions and condition mentioned in the Licence.                                                                                                                                                                                                                                                                                                                                                                                         |  |  |  |
| 1. The earlier sanctioned Plan vide No. PR/UD/167622-23 dated: 02 Sep 2022 and Building Licence stands cancelled automatically.                                                                                                                                                                                                                                                                                                                                                                           |  |  |  |
| 2.Modified Sanction is accorded for the Residential Building at old No. 975, New No. 859, Subramanyala, Kumbargacheru village, K.R. Puram and Ekambarahalli Hobli, Bangalore, Bangalore.                                                                                                                                                                                                                                                                                                                  |  |  |  |
| 3.If Consent of the Board = 10Ground + 14 UF only.                                                                                                                                                                                                                                                                                                                                                                                                                                                        |  |  |  |
| 4.Modified Sanction is accorded for Residential use only. The use of the building shall not be devoted to any other use.                                                                                                                                                                                                                                                                                                                                                                                  |  |  |  |
| 4.7875 M area reserved for car parking shall not be converted for any other purpose.                                                                                                                                                                                                                                                                                                                                                                                                                      |  |  |  |
| 5.Necessary duties for setting milestone cables, cuttings at ground level for postal services & space for dumping garbage within the premises shall be provided.                                                                                                                                                                                                                                                                                                                                          |  |  |  |
| 6.The applicant shall construct temporary walls for the use of construction workers and it should be demolished after the construction.                                                                                                                                                                                                                                                                                                                                                                   |  |  |  |
| 7.The applicant shall INSURE all workers involved in the construction work against any accident / untoward incident arising during the time of construction.                                                                                                                                                                                                                                                                                                                                              |  |  |  |
| 8.The applicant shall not stock any building materials / debris on top of the building or on roads or on drains.                                                                                                                                                                                                                                                                                                                                                                                          |  |  |  |
| 9.The debris shall be removed and transported to nearby dumping yard.                                                                                                                                                                                                                                                                                                                                                                                                                                     |  |  |  |
| 10.The applicant / Builder is prohibited from selling the setback area / open spaces and the common facility areas, which shall be accessible to all the tenants and occupants.                                                                                                                                                                                                                                                                                                                           |  |  |  |
| 11.The applicant shall provide a space for locating the distribution transformers & associated equipment as per R.C.R. (Edk D) code bearing 3.0.10, from the building within the premises.                                                                                                                                                                                                                                                                                                                |  |  |  |
| 12.The applicant shall provide a separate room preferably 4.50 x 3.50 m in the basement for installation of telecom equipment and also to make provisions for telecom services as per Bye-law No. 85.                                                                                                                                                                                                                                                                                                     |  |  |  |
| 13.The applicant shall maintain during construction such barricading as considered necessary to prevent dust, debris & other materials endangering the safety of people / structures etc. in & around the site.                                                                                                                                                                                                                                                                                           |  |  |  |
| 14.Permission shall be obtained from forest department for cutting trees before the commencement of the work.                                                                                                                                                                                                                                                                                                                                                                                             |  |  |  |
| 15.License and approved plans shall be posted in a conspicuous place of the licensed premises. The building frame and the copies of sanctioned plans with specifications shall be mounted on a frame and displayed and they shall be made available during inspection.                                                                                                                                                                                                                                    |  |  |  |
| 16.If any owner / builder contravenes the provisions of Building Bye-law and rules in force, the Architect / Engineer / Supervisor will be informed by the Authority in the first instance, warned in the second instance and cancel the registration if the same is repeated for the third time.                                                                                                                                                                                                         |  |  |  |
| 17.Technical personnel, applicant or owner as the case may be shall strictly adhere to the duties and responsibilities specified in Schedule VI of the Bye-law No. 33 under sub section 5 (b) to (i).                                                                                                                                                                                                                                                                                                     |  |  |  |
| 18.The building shall be constructed under the supervision of a registered structural engineer.                                                                                                                                                                                                                                                                                                                                                                                                           |  |  |  |
| 19.On the completion of foundation or footings before erection of walls on the foundation and in the case of column structure before erecting the columns "COMMENCEMENT CERTIFICATE" shall be obtained for the site above 31' 6" Spm.                                                                                                                                                                                                                                                                     |  |  |  |
| 20.Construction or reconstruction of the building should be completed before the expiry of five years from the date of sanction of license within one month after the completion shall apply for permission to occupy the building.                                                                                                                                                                                                                                                                       |  |  |  |
| 21.The building should not be occupied without obtaining "OCCUPANCY CERTIFICATE" from the competent authority.                                                                                                                                                                                                                                                                                                                                                                                            |  |  |  |
| 22.The applicant shall ensure that the Rain Water Harvesting Structures are provided & maintained in a good repair for storage of water for non potable purposes or recharge of ground water at all times having a minimum total capacity mentioned in the Bye-law 30A.                                                                                                                                                                                                                                   |  |  |  |
| 23.The building shall be designed and constructed according to the norms prescribed in National Building Code and in the "Criteria for earthquake resistant design of structures" bearing No. 10, 1983-2002 published by the Bureau of Indian Standards making the building resistant to earthquake.                                                                                                                                                                                                      |  |  |  |
| 24.The applicant should provide solar water heaters as per table 17 of Bye-law No. 29 for the building.                                                                                                                                                                                                                                                                                                                                                                                                   |  |  |  |
| 25.Facilities for physically handicapped persons prescribed in schedule XI of Bye-law 48' 31' of Building Bye-law 2003 shall be provided.                                                                                                                                                                                                                                                                                                                                                                 |  |  |  |
| 26.The applicant shall provide at least one common toilet in the ground floor for the use of the visitors / servants / drivers and security men and also entrance shall be approached through a ramp for the Physically Handicapped persons together with the stipulated entry.                                                                                                                                                                                                                           |  |  |  |
| 27.The Occupancy Certificate will be considered only after ensuring that the provisions of conditions vide S. No. 23, 24, 25 & 26 are provided in the building.                                                                                                                                                                                                                                                                                                                                           |  |  |  |
| 28.The applicant shall ensure that no construction is caused to the neighbors in the vicinity of construction and that the construction activities shall stop before 10.00 PM and shall not resume the work earlier than 10.00 AM to avoid hindrance during late hours and early morning hours.                                                                                                                                                                                                           |  |  |  |
| 29.The structures with basements shall be designed for structural stability and safety to ensure for soil stabilization during the course of excavation for basements with safe design for retaining walls and proper structure for the safety of the structure as well as neighboring property, public roads and footpaths, and besides ensuring safety of workmen and general public by erecting safe barricades.                                                                                       |  |  |  |
| 30.Sufficient two wheeler parking shall be provided as per requirement.                                                                                                                                                                                                                                                                                                                                                                                                                                   |  |  |  |
| 31.Accommodation shall be provided for setting up of schools for imparting education to the children of construction workers in the labor camp / construction sites.                                                                                                                                                                                                                                                                                                                                      |  |  |  |
| 32.List of children of workers shall be furnished by the builder / contractor to the Labour Department which is mandatory.                                                                                                                                                                                                                                                                                                                                                                                |  |  |  |
| 33.Employment of child labor in the construction activities strictly prohibited.                                                                                                                                                                                                                                                                                                                                                                                                                          |  |  |  |
| 34.Obtaining NOC from the Labour Department before commencing the construction work is a must.                                                                                                                                                                                                                                                                                                                                                                                                            |  |  |  |
| 35.Traffic Management Plan shall be obtained from Traffic Management Consultant for all high rise structures which shall be got approved from the Competent Authority if necessary.                                                                                                                                                                                                                                                                                                                       |  |  |  |
| 36.The Owner / Association of the high-rise building shall conduct fire drill 48' 31' in the building, one before the onset of summer and another during the summer and assure complete safety in respect of the hazards.                                                                                                                                                                                                                                                                                 |  |  |  |
| 37.The Builder / Contractor / Professional responsible for supervision of work shall not materially and structurally deviate the construction from the sanctioned plan, without prior approval of the authority. They shall explain to the owner / laborer the risk involved in contravention of the provisions of the Act, Rules, Bye-laws, Zoning Regulations, Sanctioning Orders and Policy Orders of the BBMP.                                                                                        |  |  |  |
| 38.The Construction or reconstruction of building shall be commenced within a period of two (2) years from date of issue of license. Before the expiry of two years, the Owner / Developer shall give intimation to BBMP (Sanctioning Authority) of the intention to start work in the form presented in Schedule VI. Further, the Owner / Developer shall give intimation on completion of the foundation or footing of walls / columns of the foundation. Otherwise the plan sanction deemed cancelled. |  |  |  |
| 39.The Applicant should follow the instruction of chairman BMSBS specified in the DO after the (BMSBS/AN/2019-20, Dated: 25-09-2019) regarding utilization of treated water for all construction activities of built up area more than 2000 Sq.m.                                                                                                                                                                                                                                                         |  |  |  |
| 40.The Applicant / Owner / Developer shall abide by the Rules and Regulations of Karnataka Energy Conservation Building Code (KECBC) 2018.                                                                                                                                                                                                                                                                                                                                                                |  |  |  |
| 41.The Applicant / Owner / Architect shall intimate line out marking date within 30 days from sanctioned plan.                                                                                                                                                                                                                                                                                                                                                                                            |  |  |  |
| 42.If the Applicant / Owner / Developer shall take necessary provision to charge electrical vehicles.                                                                                                                                                                                                                                                                                                                                                                                                     |  |  |  |
| 43.If the Applicant / Owner / Architect should adhere to the special conditions imposed in the Building Licence.                                                                                                                                                                                                                                                                                                                                                                                          |  |  |  |
| 44.BBMP will not be responsible for any dispute that may arise in respect of property in question.                                                                                                                                                                                                                                                                                                                                                                                                        |  |  |  |
| 45.If in case if the documents submitted in respect of property in question is found to be false or fabricated, the plan sanctioned stands cancelled automatically and legal action may be initiated.                                                                                                                                                                                                                                                                                                     |  |  |  |
| 46.The applicant / Owner / Architect should registered in Real Estate Regulatory Authority (RERA) compulsorily in case of Residential Apartments having 6 units and above.                                                                                                                                                                                                                                                                                                                                |  |  |  |
| 47.Owner / Builder / GPA holder / developer shall take all precautionary measures to ensure the safety of personnel involved in the construction activities.                                                                                                                                                                                                                                                                                                                                              |  |  |  |
| 48.Due to non-compliance of safety precautionary measures or due to any other reason if loss of life or injury or permanent disability occurred to personnel or damages caused to public or private property, BBMP is not responsible for such loss, Owner / Builder / GPA holder / developer shall hold the responsibility for such damages or loss of life or injury or permanent disability.                                                                                                           |  |  |  |
| 49.In case of any false information, misrepresentation of facts, or pending court cases if any the plan sanction is deemed cancelled.                                                                                                                                                                                                                                                                                                                                                                     |  |  |  |
| Special Condition as per Labour Department of Government of Karnataka vide ADDENDUM (Housing) (Housing) Letter No. L/95/LE/102/13, dated: 01-04-2013:                                                                                                                                                                                                                                                                                                                                                     |  |  |  |
| 1.Registration of Applicant / Builder / Owner / Contractor and the construction workers working in the construction site with the "Karnataka Building and Other Construction Workers Welfare Board" should be strictly adhered to.                                                                                                                                                                                                                                                                        |  |  |  |
| 2.The Applicant / Builder / Owner / Contractor should submit the Registration of establishment and list of construction workers engaged at the time of issue of Commencement Certificate. A copy of the same shall also be submitted to the concerned local Engineer in order to respect the establishment and ensure the registration of establishment and workers working at construction site or work place.                                                                                           |  |  |  |
| 3.The Applicant / Builder / Owner / Contractor shall also inform the changes if any of the list of workers engaged by him.                                                                                                                                                                                                                                                                                                                                                                                |  |  |  |
| 4.In any point of time the Applicant / Builder / Owner / Contractor shall engage a construction worker in the site or work place who is not registered with the "Karnataka Building and Other Construction workers Welfare Board".                                                                                                                                                                                                                                                                        |  |  |  |

|
